

Welcome to the 2025 Men's Night at The Track Golf Course

The Track Men's Night is back for its 5th season. We want to provide an inclusive and welcoming environment for you and your group to enjoy some friendly season long competition.

We're keeping things relaxed and comfortable. Don't have golf slacks? We don't mind! Prefer a plain t-shirt over a country club polo? So do we! Prefer to rock the snapback backwards? Thumbs up to that!

Men's night takes place on Thursday afternoons and evenings for your choice of 9 or 18 holes of golf. There is weekly prizing, chances to win deuce pot, and food & beverage specials. Registration is open to everyone. You can register as a team or a single player.

New for 2025 is the season long "Track Cup". Similar to the FedEx cup, but with a Langdon twist! Weekly participation and the weekly game will earn you points. The top 20 after 21 weeks of play will qualify for the chance to play off in the 1st Annual "Track Cup" during the 2025 Men's Night season wind up on Friday September 19th. More details to follow.
